

**Do you remember
some of your favorite trees?**

**Your first treehouse?
That tree in the park
that marked the
perfect picnic spot?
Your favorite shade tree?**

Admit it. . .

**You really
DO love trees!**

Show how much you cherish our own urban forests and sign up today for a training program to become a **Citizen Forester**.

What is the Citizen Forester training program? Citizen Forester classes cover basic tree physiology, tree ID, proper planting & pruning techniques, insects and diseases, plus proper care and maintenance.

Training consists of six class sessions held from August through November. Each class includes 3 hours of class work plus 3 hours of field work.

Classes begin **Saturday, August 21st.**

Registration fee is \$75.

Registration Deadline: July 31st.

**Train to become
a Citizen Forester.**

To register or for more information:
